COUNTRYSIDE CAMPGROUND

105005 Range Road 215, County of Lethbridge. (403-732-5371)

Located ~ 3 km West of Picture Butte, AB on Hwy 25 and 2 km South on Range Road 215 and just 20 minutes North of Lethbridge, AB via Hwy 25.

The **PICTURE BUTTE GOLF & WINTER CLUB** (403-732-4157) is less than a *DRIVE* away (more like a *PITCH*

) as we are directly across the road.

This 27 hole layout is one of Southern Alberta's premier golf courses, and it will challenge all levels of golfers. The Club is member owned, but open to the public. It has a well stocked pro-shop, a driving range with both mats and grass teeing areas, and a fully licensed clubhouse for your food and beverage needs.

The **TOWN OF PICTURE BUTTE** is approximately 5 km from Countryside Campground, and it offers a full range of services and attractions. There is the Coyote Flats Pioneer Village, a local art gallery, an outdoor pool facility with water slide, curling rink, ice arena, archery range, parks and playgrounds. The small town shopping opportunities are second to none with a local bakery, hardware store, pharmacy, AG Food store and butcher shop, flower shop, auto parts and repair, hair stylist, tire shops and much more. When in **BUTTE**

(as the locals refer to it) and if eating and relaxing is on your agenda, a visit to the

CACTUS PUB, GRILL & PIZZA

(403-732-5539) is in order. Simply one of the best eateries in southern Alberta. Their roadhouse style menu features

premium aged "AAA" Canadian beef,

and this is complimented by their small town friendly service, until now, an experience you could only have imagined possible.

Park Lake Provincial park is only 16 km away with its day park and swimming easily accessible. Keho Lake (~ 40km) and Traverse Dam (50km) offer boating and water sport opportunities. Keho Lake also is home to a nice 9 hole golf course.
